

A close-up photograph of a man with dark hair and glasses, wearing a green plaid shirt, and a woman with short brown hair. They are both looking towards the right side of the frame with serious expressions. The background is a warm, out-of-focus yellow and green, suggesting an outdoor setting.

## Did you know that...

Children of prisoners are 9 times more likely to end up in prison than any other child? Help us break the cycle of intergenerational crime.

Pillars train and support their volunteer mentors; and all children on the programme have a family support worker involved in their family.

## Does this sound like you?

- Do you care about children and the issues they may be facing?

---

- Are you comfortable listening, talking and having fun with young people?

---

- Can you commit to spending 2-6 hours every fortnight for a year?

---

- Do you have your own car and full New Zealand drivers licence?

---

If you answered YES to all of the above and are interested in being a mentor we look forward to hearing from you.
